

because now matters

STUDIO MPA4

Unbeatable Value with Quad HDMI Outputs

The MPA4 is a feature-packed media player designed for demanding digital signage applications. With four HDMI outputs and AMD Radeon graphics, it delivers vibrant 4K visuals across multiple displays. Its compact form factor and fanless design ensure quiet and reliable operation. Partner with Now Micro to reduce risk, save time, increase profits and maximize efficiency with purpose-built solutions that are backed by people who care and powered by innovation.

KEY FEATURES

AMD Ryzen™ 5 7537HS processor for high-speed performance

Quad HDMI 4K output for immersive digital experiences

Ultra small form factor

3-year depot warranty

powered by NOWMICRO

Now Micro solutions come ready to integrate with DICE technology, offering OEMs and systems integrators a powerful suite of tools that streamlines deployment, reduces downtime with remote monitoring and simplifies asset management through a single, intuitive portal.
